INDIANA UTILITY
REGULATORY COMMISSION

CAUSE NO. 42144

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") made the following entry in this matter:

In an effort to expedite the Evidentiary Hearing, scheduled in this matter for March 13-14, 2003, the Presiding Officers hereby advise the Parties that they should confer and submit a joint filing ("Joint Filing") on or before March 11, 2003, which contains a proposed outline for the presentation of witnesses in this Cause. In their Joint Filing, the Parties should indicate which witnesses will be cross-examined, and the amount of time that the Parties anticipate will be necessary for cross-examination of each witness. The Parties should also indicate in their Joint Filing whether any prefiled testimony or exhibits will be entered into the record pursuant to stipulation.

As there are several parties to this proceeding with differing views as to the merits of the Settlement Agreement submitted in this Cause, parties with similar positions should confer, to the extent practicable, in an effort to minimize duplicative or redundant questioning of witnesses. Any party to this Cause that intends to object to the admissibility of any prefiled testimony or exhibits in this matter, should file a motion, that fully sets forth the objection, on or before March 11, 2003.

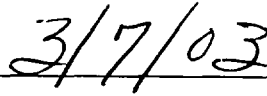

IT IS SO ORDERED.
